SPA HAPPY HOUR

love renaissance

The treatment mainly focuses on the intimate organ of woman's body by curing the intimate part with natural herbs, "Ratus" technique. This traditional beauty treatment is combined with body scrub to take out the dead skin and hair spa. It ends with Royal Balinese flower bath ritual.

The treatment was so popular in the age of monarchy system when a Queen presented the best of her to the King. It aimed at nurturing the intimate relation of lovers sensationally.
